

400 NW 56TH STREET LINCOLN, NE 68528

DIESEL TECH INTERNSHIP

OPPORTUNITY OVERVIEW

Crete Carrier Corporation is seeking ambitious and driven candidates for our Diesel Technician Internship. As an intern at Crete, you will learn how to perform basic services, as well as diagnose and repair more in depth issues on the newest models of Freightliner and Kenworth equipment.

Our interns are paired with experienced technicians that will mentor them during their hand-on learning experience here at Crete. This on the job training is an excellent way to put what you are learning in the classroom to real-life work experiences in the Diesel industry, all while adding industry experience to your resume!
